

## A SHORT STORY ABOUT THE ONSET SHUL ON CAPE COD

**T**hank you for your interest in Beth Israel of Onset Cape Cod Synagogue. Onset has many places available for long or short stays, and offers delightful beaches and charming cottages. Onset offers the Orthodox vacationer an unusual hidden jewel to explore and the original Jewish Cape Cod experience.

Our summer Shul constantly greets new visitors, and offers an intimate, friendly and participative service. Our visitors include singles to families to retired couples—all are welcome. And, after spending a week on Cape Cod immersed in Main Street Americana, you can return to a familiar Shabbos, surrounded by friends.

Everyone who finds our Shul is surprised and intrigued, and becomes instantly enamored. I know after one visit, you'll think of Onset as your secret place, too.

Long-time members return to Onset for their annual vacations from New York, Connecticut, Rhode Island, Florida, Montreal, even California—young couples stay in Onset because they came as children. Onset is the quintessential summer Jewish community of friends who spend summer time together once a year, every year. New people discover us, old friends return.

Our synagogue was founded soon after World War II, and was Rabbi Joseph B. Soloveitchik's summer Shul. Friday night services begin at 7:30, and Shabbos morning services are at 9:00 am. If you would like to lead the services, say Maftir, or have to recite Kaddish, let us know.

Our Shabbos minyan tends to be smaller during the 3 weeks in July. On those Shabbotim, we still attract typically 10-20 men, and an equal number of women. During August (e.g. after

Tisha B'Av), the minyan expands quite a bit, and we will usually have daily services besides the weekend minyanim. We have a resident Director who maintains the Minyan and reads the Torah on Shabbos, Monday and Thursday.

Every Shabbos morning we provide a kiddush, giving our guests the opportunity to meet and talk. We often have a shiur between mincha and maariv.

Onset is a picturesque Victorian village, and offers clean, sandy beaches, chartered fishing boats, Canal Cruises, Free Thursday night movies, parades and street fairs in the town center, and, of course, an amazing 4<sup>th</sup>-of-July fireworks display.

We are about an hour from Boston or Providence, maybe 4 from New York so a Friday afternoon commute to Onset in time for Shabbos works, and buses arrive in Buzzards Bay or Wareham, each about 15 minutes away.

Onset is just the best location on Cape Cod to vacation. In addition to a completely relaxing religious environment, it is blessed with clear, crisp ocean breezes and provides a perfect vacation base for enjoying Cape Cod, Martha's Vineyard or Nantucket, Woods Hole, Plymouth, Orleans, the National Seashore, Provincetown, Boston and Newport, RI.

Local inns and hotels, located on Onset Bay, are within a 5 minute walk of the Shul. These include the Onset Bluffs Condos, and the Inn on Onset Bay. There are also many cottages for rent. Nearby supermarkets carry brand name Kosher products. The Boston Vaad symbol is KVH. Meat products should be brought from home. The inns and hotels have kitchenettes with varying amenities.
